

**WELDSTONE**

#10000MDP-CS

WELDSTONE is THE MASTER DISTRIBUTOR of READY WELDER Products
U.S. Patent #6.066.834 / Canadian Patent #2233837 / ©2003 Ready Welder Corporation

The Most powerful, affordable, portable, versatile MIG Welder in the world!

The **Ready Welder Model #10000MDP-CS** is most frequently used by US military branches including the USCG, as well as other militaries worldwide. It is also a very popular choice by the GSA. The **Model #10000MDP-CS** includes a NATO Slave Plug allowing most military vehicles or trucks with 24 Volt battery systems to be the power source. This unit is housed in our military-spec, air-tight, waterproof case. It includes our AC to DC Power Converter, essential replacement parts, extra wire spools, extra welding tips, two 20ft extension cables and 50ft of extra gas hose.

The Cold Switch was manufactured for the safety of different types of customers such as Navy, Army, Welding Shops, Etc. With the Cold Switch, the Ready Welder will only create an arc when the trigger is pulled, allowing you to lay the welder down with no worries.

GSA/NSN #5130-01-482-1692
